Non-compliant: Less than 40%

Although the above mentioned is the current level turnover/income and is closely to the economic indicators, it may be more or less in future. Consequently this certificate does not serve as a guarantee that the income reflected will continue at the same level.

Based on our procedures, which do not constitute an audit or review, we have determined the level of Black Ownership/Black Women Ownership as set out in this certificate to be a level 2 based on the documents and information supplied by our client. We do not accept or assume responsibility for anyone one other than our client for our work, for this report, or for the conclusion we have made.
